Subject: Submission of an original paper with copyright agreement and authorship responsibility.

Respected Sir,

I (corresponding author) certify that I have participated sufficiently in the conception and design of the present work and the analysis of the data (when applicable), as well as the writing of the manuscript, to take all over responsibility for it. I believe that the manuscript represents a valid research work. I have thoroughly reviewed the final version of the manuscript and approve it for publication. Neither has the present manuscript nor one with substantially similar content under my authorship been published nor is being considered for the publication elsewhere, except as described in an attachment. Furthermore I attest that I shall produce the data and matter upon which the manuscript is based for the examination by the editors or their assignees, if requested.

Thanking you.
